School Dist. 34 To Vote Saturday In Validating Tax

**Favorable Vote to Peg Tax
Rate at 90 Cents
As At Present**

Voters of Antioch Grade school District 34 will go to the polls Saturday afternoon to validate their school tax rate at .90 per cent or 90 cents on the \$100. This means no increase in present taxes, but a slight reduction.

The election is made necessary in this district as in many others in Lake county because of the state supreme court decision in the Bensenville grade school case which destroyed the school's tax rate as contrary to the Butler law.

The present legislature hurriedly enacted a law which will give schools affected by the court's decision an opportunity to re-establish their rate to the step nearest that of the Butler act and in this case, Antioch's is actually reduced .01 per cent from .91 to .90 as it will appear on the ballot. The .91 per cent has been in effect since May 31, 1947.

The ballot will be of the yes or no type and will ask the maximum rate of 90 cents on the \$100 assessed valued amount of \$102,520.

Principal Richard Whitacre pointed out that unless the rate asked for in the referendum is established by the electorate, the Antioch Grade school will get but \$40,409.27 in income and will be faced to either reduce the schooling to 4 1/2 months or borrow money with the added expense of interest charges.

The school has been operating on a cash basis for 10 years. The election will be from noon to 7 p. m. Saturday, May 19, with voting in the first grade room of the old building where people have voted in school elections for 23 years.

Principal Whitacre addressed the Parent-Teacher club on the referendum Monday night and received unanimous support for a "yes" vote.

The total vote of all townships showed 293 favoring the establishment of the district and but 125 opposed.

Voting by townships was as follows:

Township	Yes	No
Antioch	63	10
Grant	122	15
Wauconda	50	1
Cuba	63	17
Ela	62	12
Fremont	153	9

Mother of S. Boyer Nelson Passes Away

Funeral services for Mrs. Ella M. Nelson, Canton, Illinois, mother of S. Boyer Nelson, of Antioch, will be held in Canton Friday, May 18. Mrs. Nelson had been in failing health for the past several years and passed away at her home in Canton Wednesday afternoon. Through her many visits to Antioch Mrs. Nelson had made many friends and acquaintances here. The Nelsons were at her bedside at the time of her death.

Buffet Supper Replaces Prom Banquet Saturday

The usual banquet will give way to a buffet supper this year at the Junior Prom of the Antioch Township High school Saturday evening. The supper will be served at 9 p. m. and the coronation will be at 10:30 p. m. Music will be by the Victor Parade orchestra, Kenosha.

Arvis Ring will be crowned queen by George Swenson, president of the junior class in the presence of her attendants, Virginia Van Patten, Sue Garland, Denise Chrisp, and Natalie Schippmann. George Nelson, Junior class president, who will be king, will be crowned by Janice Runyard, last year's prom queen.

The ballroom will be converted to a Parisian sidewalk cafe under the theme "Midnight in Paris."

Postoffice to Be Moved To New Location on Lake Street, May 30

It may be Memorial Day to most persons but to Postmaster Roy Kufalk, May 30 will just be moving day at the postoffice.

Kufalk said there would be no mail service of any kind on that day so that the employees and additional help can move belongings and post-office equipment from the Main st. building to the new location at Lake street.

The postoffice does not need to vacate its present building until May 31, but the holiday gave the government employees opportunity to make the change with the least amount of interruption in the mail service. Mail will be distributed from the new place the day after Memorial Day.

Herman A. Radke, 79, Oldest Business Man In Antioch Is Stricken

**Business Houses Closed on
Tuesday During Time
Of Funeral**

Herman A. Radke, 79, eldest business man in Antioch, died unexpectedly of a heart ailment Sunday at his home, 1014 Victoria st.

His son, Maurice Radke, who lives across the street, found him dead in bed after it was noticed he failed to answer the door for callers and deliveries were not received.

Mr. Radke was born June 2, 1871 in Germany and was nine years of age when he came to the United States settling at Lake Geneva where he in later years learned the barber trade. He followed that trade for 62 years.

After a year's apprenticeship he bought the store of his employer, Homer Schwartz in 1890.

Six years later he came to Antioch and established a shop at 912 Main st., which has borne Radke's name for 54 years.

Mr. Radke has served on the village board of trustees.

During the 10 years from 1923 to 1933 he spent a part of his time in the real estate business, selling land in Brownsville, Tex. He continued his barbering here on weekends, although since 1923 the shop has been run by his sons.

Mr. Radke and Cora Bucholtz were married in November 1895 and six years ago celebrated their golden wedding anniversary. Mrs. Radke died on July 31, 1949 and he had made his home alone since then.

Surviving are two daughters, Mrs. Iva Carey, Dallas, Texas; and Mrs. Virginia Cavanagh, Kenosha; and the son, Maurice H. Radke, and two grandchildren. A son, Harry, preceded him in death.

The funeral service was held at 2 p. m. Tuesday at the Strang funeral home with Dr. Thomas M. Pender of the First Methodist church, Waukegan, in charge. Burial was at Hillside cemetery.

Business houses in Antioch were closed from 1:30 to 3 p. m. so that business men might attend the service and show respect to the pioneer barber.

Parent-Teacher Club Hears Referendum Talk By Principal Whitacre

The Antioch Grade school Parent-Teacher association met Monday night for the last time this year.

Hans von Holwede led the community singing and Vernon Burdick played three selections on the vibraphone.

New officers were installed by Fern Lux.

Principal Richard Whitacre explained the school tax validation referendum which is to take place Saturday and the P. T. A. approved its passage.

First grade mothers served refreshments.

Central H. S. District To Have Informal Meeting

The Central high school district will hold an informal meeting at the Bristol Community hall Friday evening, May 18, at 6:30. An architect's model of the planned central high school will be on display at that time. Allen H. Erickson, principal of the school, and head of the architectural firms working on the building will be present to answer questions on the project. Horace Fowler, director of the school board, emphasized that the attendance is not restricted to residents of the district.

Eighth Grade Exercises On Friday, May 25, With Dean Ganster Speaker

**Class Banquet on May 22
At Methodist Church
And School**

With graduation exercises set for Friday, May 25, the Antioch Grade school will bring its term to an end on June 1.

The commencement will be held at 8 p. m. at the grade school auditorium with Dean Howard Ganster, retired rector of Christ Episcopal church, Waukegan, as the speaker. It will be the first graduation in the new auditorium, and the occasion also will be open house.

Principal Whitacre said that while many people have been privileged to inspect the new addition to the school through P. T. A. and other meetings, the board of education feels that many more have not had the opportunity as yet.

Sharing in the exercises, Principal Richard Whitacre said, are the Channel Lake, Emmons, Hickory Corner, and West Newport schools. Still another school may be added.

The eighth grade class will have its banquet Tuesday, May 22, at the Methodist church, followed by entertainment at the school building. Parents and Lake County School Superintendent W. C. Petty will be guests of the graduates.

The eighth grade pupils and their teacher yesterday went to Chicago in going through the Museum of Science.

Antioch V.F.W. Loses Opener to Burlington; To Play Wilmot Sunday

If a bad beginning means a good ending, the Antioch V. F. W. baseball team should be at the top of the heap when the Southeastern Wisconsin baseball league ends its season.

The Antioch boys lost their first game of the season to Burlington last Sunday 9 to 0 on the Antioch diamond. Inability to hit cost the home team its game.

Antioch will play Wilmot there at 2 p. m. Central Standard time Sunday.

The summary of last Sunday's game follows:

Adolph Marcussen, 44 Wilmot, Dies Monday

Adolph Marcussen, 44, of Wilmot, Wisconsin, died at St. Therese hospital, Waukegan, Monday, May 14, after a brief illness. He was employed at Johns Manville in Waukegan. He was born June 25, 1906 in Germany, coming to the U. S., 21 years ago.

Survivors are his wife, Dorothy, three sons, Raymond, Donald and Harold, one daughter, Betty Jane, all of Wilmot; his parents, Mr. and Mrs. Jack Marcussen, Wilmot; three brothers, Herman, Otto and William, all of Milwaukee. Funeral services will be held at 1:30 Friday at Schuette Funeral home, Burlington. Interment will be in Wilmot.

To Assist at Sale

A. N. Harrison, former Antioch resident, who for the last 15 years has been living in Portland, Ore., arrived here last evening to assist in the sale of the household furnishings of Mrs. Clara Todd, who had sold her Spafford st. residence. Harrison was an Antioch resident 50 years.

Antioch Township Votes 63 to 10 to Join Lake County Water District

**Light Vote Over County
Permits Organization
To Sell Water**

Antioch township chose to be included in the Lake County Water district Tuesday by a vote of 63 to 10.

The same light vote was reported from the rest of the 15 townships in the county who voted on the proposition. Seventy-three votes were cast at the lone poll of Antioch township in the village hall and none was spoiled.

The county court will now proceed to appoint five trustees who will serve for not more than \$300 a year in operating the district.

The trustees will make contracts with the lake shore cities to supply surplus water throughout the county and will lay mains to carry the water to areas that need it. The cost of the mains will be paid from revenue bonds.

The trustees will determine the price that will be paid for the water. Voting Antioch township into the water district does not mean that the people are obliged to buy the water, but it does mean that if ever any part of the township experiences a water shortage it can have water piped in on a cost revenue basis without any further legal procedure.

Just now Gurnee, Libertyville and Mundelein are in need of water and the line will be built for them.

Serving on the board here in Tuesday's referendum were William Rosing, John Brogan, D. H. Minto, judges; Mesdames Arthur Rosenfeldt, Joe Horton and Stanley Morton, clerks.

Becoming interested in radio at the University of Illinois, Mr. Bolman became chief announcer at WILL at Urbana, said to be one of the foremost educational radio stations in America. He is now vice-chairman of the department of radio and television of the Church Federation of Greater Chicago. He was chosen as the first radio pastor on the unique experimental program "Faith To Live," aired on WMAQ.

His denomination selected him to be master of ceremonies on the first convention by television, on WBKB. This summer he will be heard again on WMAQ on the Federation-sponsored program, "Day's End."

The baccalaureate service will be at 8:15 p. m. Sunday, May 27 at the school auditorium. The Rev. R. E. Harrison, Lake Villa, has been invited to be the speaker.

John Armour, 67, Rosecrans, Newport Township, died Sunday, May 13, at Victory Memorial hospital, Waukegan, following a lingering illness.

Born January 9, 1884 in Kilmar-nock, Scotland, he came to America with his parents at the age of 5 years, settling at Peotone, Illinois, living there until coming to Newport Township in 1906. He had done farming and mason work and was employed by the Chicago, Milwaukee, St. Paul Railroad for seventeen years, retiring eight years ago.

Survivors include two brothers, William of Wadsworth and James of Hoffman, Minn.; two sisters, Mrs. Agnes Stephens, Antioch and Mrs. Jean Wells, of Wilmot, Wis.

Funeral services were held at 2 p. m. at the Strang Funeral home. The Rev. L. H. Messersmith officiated. Interment was in Millburn cemetery.

Class Picnic Postponed
Rain last week prevented the senior class picnic at Petriptyng Springs so the class will attempt to hold it next Wednesday.

Get Car, Dog Licenses
Village vehicle and dog license tags are now necessary and may be obtained from Clarence Shultz, deputy clerk at 271 Ida Ave.

Waukegan Merchants To Hold First County Coupon Day on May 22

Waukegan merchants through a combined promotion sponsored by the Waukegan Chamber of Commerce will hold their first Coupon Day in Waukegan Tuesday, May 22.

This promotion which promises to be a frequent event has been named, Lake County Coupon Day and will feature outstanding values from over twenty-four merchants. All merchants will be plainly and prominently displayed and they invite all shoppers of Lake County to attend this one day sale.

They urge to cut out the coupons and bring them with them as they must be redeemed to enjoy the price reductions. Store hours for this sale, the Chamber of Commerce announced will be the usual week-day hours 9:30 A. M. to 5:30 P. M.

Rev. Paul M. Bolman, Will Deliver Address At Local Commencement

The speaker for the thirty-sixth graduation program of the Antioch Township High school to be held at 8:15 p. m. Thursday, May 31, at the school auditorium will be Paul M. Bolman, of Oak Park, Ill., whose career has included the ministry, radio, teaching and at least one appearance on television.

Securing his master of arts degree in speech at the University of Illinois, he taught speech at the university before making his residence in Oak Park, where he now ministers to the congregation of the Oak Park Christian church. He served as president of the Oak Park-River Forest Ministers' association last year.

Becoming interested in radio at the University of Illinois, Mr. Bolman became chief announcer at WILL at Urbana, said to be one of the foremost educational radio stations in America. He is now vice-chairman of the department of radio and television of the Church Federation of Greater Chicago. He was chosen as the first radio pastor on the unique experimental program "Faith To Live," aired on WMAQ. No. 6 (Giants) — Uniform gray and royal blue; Antioch Lumber and Coal Co., sponsor; Ralph Trieger and Bob Kufalk, coaches.

Village Buys Equipment
The village board has agreed to furnish two sets of catcher outfits which will be used by all of the teams and kept for succeeding years.

Co-sponsors of the league are Murrie's Service station, Gamble's store, Ted's Sweet shop, Robin Hardware store, Loren D. Sexauer real estate agency, Frank Kennedy Service station, Barnstable and Brogan, Antioch News, the Store of Klass, Antioch Milling Co., Antioch Nash Sales, Snowwhite Ice Cream store, Delaney Plumbing shop, Powles Food store, Baethke Barber shop, Gibbs Variety store, Pedersen bakery, Antioch Packing House, Darnaby Shoe store, Carey Electric shop, Keelman Jewelry store, Marianna's, Amiel Feysabend Sales, and Nelson Real Estate.

Director Wolfenbarger asked the boys and their fathers to come to the village diamond east of the Soo tracks, bringing rakes and hoes to help condition the diamond at 1 p. m. Sunday.

Practice will start soon thereafter and the league put into operation as soon as school is out. Games will be played at twilight on Tuesdays and Thursdays, and at 1 p. m. Sundays.

The first round robin will consist of 15 games of 6 innings as follows:
No. 1 — Cubs vs. Tigers; No. 2 — Giants vs. Sox; No. 3 — Dodgers vs. Yanks; No. 4 — Cubs vs. Giants; No. 5 — Giants vs. Tigers; No. 6 — Yanks vs. Sox; No. 7 — Cubs vs. Dodgers; No. 8 — Yanks vs. Giants; No. 9 — Sox vs. Tigers; No. 10 — Cubs vs. Yanks; No. 11 — Sox vs. Dodgers; No. 12 — Tigers vs. Giants; No. 13 — Cubs vs. Sox; No. 14 — Tigers vs. Yanks; No. 15 — Giants vs. Dodgers.

Wolfenbarger says he plans a big parade of the boys in uniforms on the day of the opening game.

He asked that any father who wants to help in the umpiring or any other phase of the league work call him.

All boys are asked by Wolfenbarger to be sure their cap and shoe sizes have been given to him.

Robert Kufalk Receives Associate In Arts Degree

Robert Kufalk, son of Mr. and Mrs. Roy I. Kufalk, will receive his Associate in Arts degree from Kendall College, Evanston, at the graduation exercises on Friday, June 1.

Mr. Kufalk is president of the Student Council at Kendall and Co-Captain of the basketball team. He has also been a member of the softball team and a school representative on the Deputation teams and also received the Sportsmanship award voted him by members of the Athletic Club.

Vacuum Cleaner Stolen
While Bob Wilton's back was turned someone stole a Hoover vacuum cleaner from his electrical store at 926 Main st. Monday. Wilton had four Hoovers in the front of the store and when he closed the store at night one was missing.

Close for Renovation
The Antioch Recreation will be closed beginning today and will open on May 28. During that time the alleys will be resurfaced, and a new floor laid.

Saving The Wounded

Deaths from wounds in the Korean War have been at the lowest rate in history. This is a tribute to the magnificent work which the doctors, nurses and medical corpsman attached to our fighting forces are doing under the most difficult and dangerous conditions.

But there is even more to it than that—and it is found in the high protein diet of American soldiers. Their rations include about a pound of meat a day, and meat is one of the best of the limited number of sources of whole protein. According to Dr. I. S. Ravdin, professor of surgery at the University of Pennsylvania, and formerly a brigadier general in the medical corps, the amazing success in saving the wounded has resulted in part from "the recognition that high grade animal protein in diets may be almost as important as antibiotics (germ-killing medicines) in healing wounds faster."

This comes hard on the heels of the experience during World War II, when the enormous value of protein to troops was proven. Then, as now, military personnel received rations high in meat content. It was found, further, that protein has a definite beneficial effect on energy and morale, no less than in helping the sick and wounded to regain their health.

What is true of the soldier is true of the civilian. Research has firmly established the fact that large amounts of proteins are needed by almost everyone. This is now strongly advocated by the leading medical authorities on dietetics. It makes a step forward on the march toward a stronger, healthier people—as the experience in Korea is demonstrating.

The Truth About Freight Rates

Some people seem to think, quite honestly, that railroad freight rates represent a substantial part of the cost of most things we buy—and that freight rates have been a factor in forcing prices to rise. Those who do think that are wrong on both counts.

First of all, freight rates had nothing at all to do with starting the rise in prices. Prices went up first,

long before the freight rates. When the last world war ended in 1945, railroad freight charges were no higher than when war began in Europe, six years earlier. The first postwar increases in freight rates were not made until mid-1948, and by that time prices generally had risen 50 per cent.

Second, railroad freight charges are always a very small fraction of the cost of most articles we buy—and today they represent a smaller fraction than they ever did before. Actually, since the last war began, railroad revenues—figured on the standard ton-mile basis—have increased only one-third as much as railroad wages, as the cost of the many materials and supplies the industry must buy, and as consumers prices generally.

To put the situation still another way, railroad freight charges today, in proportion to the price level, are actually lower than they were before the war, and are about as low as any time in the lines' long history.

So don't blame the cost of carrying freight for boosting prices—it just isn't so. The fact is that the railroads have been doing a superb job with extremely inadequate earnings.

Planned Inflation

Most of us tend to shy away from discussions of inflation by economists. They are apt to be lengthy, technical and, to the layman, hopelessly involved.

However, an outstanding "banker" recently gave general description of the causes of inflation in words which anyone can understand. Here's what he said:

"Inflation was brought about in this country as a matter of deliberate government policy over a period of 20 years with World War II thrown in for good measure. . . .

"Almost 20 years ago during a period of severe depression, those in charge of our government apparently decided that the fundamental law of supply and demand was too slow in functioning, and their economists wrote a prescription for a government-made, synthetic form of prosperity, really inflation, based upon a government-supplied excess of purchasing power and a government-created short supply of commodities. Such a program obviously required money, and lots of it. The government does not produce wealth—it consumes wealth. . . . So the government embarked upon the policy of taking tax money from those who had something and piling up government indebtedness and spreading the money around in form of doles, subsidies, parity payments, price support programs, and other such devices among people who would immediately spend it. . . .

"Thus there was created the doctrine that the way for people to get along in this world was to get more and more for doing less and less. This was man-made, synthetic, artificially-inflated inflation, manufactured to order and found for some years to be politically quite profitable."

There are the roots of our inflation, from which today's towering plant has grown. It is just one more sorry example of the fact that when government attempts to "repeal" a natural economic law, everyone is hurt in the long run.

I'd have lost \$612

...if I had MY way!

(Based on an actual Hartford claim)

That was the admission of a Hartford policyholder who had thought Auto Collision Insurance a needless expense. Luckily his Hartford agent convinced him otherwise for just two hours after buying coverage he had a smash-up. His Hartford policy paid \$612 for repairs!

It's easy to run up a big auto repair bill these days. And it's good sense to protect yourself against accident costs with Hartford Collision Insurance. Let us explain this coverage to you and quote its cost for your car.

Legion Auxiliary Unit Honors Gold Star Members

Gold Star Mothers, sisters and widows were honored guests at a meeting of Antioch Unit American Legion Auxiliary Friday evening. Following a short business session Mrs. Maude Johnson, Gold Star chairman welcomed the honored guests. As they were being escorted and introduced Miss Nancy Swenson sang, "We Love You Just Because". Each guest was presented with a gift from the Unit.

Mrs. E. J. Hays sang, "The Lord's Prayer," "May The Good Lord Bless and Keep You."

At the close of the meeting Nancy Swenson sang, "Hymn to Peace."

The Unit has seven Gold Star mothers, Mrs. Mary Mann; Mrs. Nellie Hanke, Mrs. L. C. Scott; Mrs. Carl Carlson; Mrs. Myra Randall; Mrs. Edward Knickelbein and Mrs. Clara Kelly. Five Gold Star sisters, Mrs. Eva Burnette, Mrs. L. J. Tweed, Mrs. Adrian Vanderkloot, Mrs. Peter Freund and Nellie Hepburn, and one Gold Star widow, Mrs. Torborg Nelson.

Decorations were in blue and gold. Refreshments were served at a beautifully decorated table after which a social hour was spent.

Mrs. Emory L. Kemp, Native of Antioch New Head of State A.A.U.W.

Mrs. Emory L. Kemp, a native of Antioch and sister of Mrs. Alonzo Runyard, Mrs. Earl Pitman, and Edwin Hucker of this village, has been made president of the Illinois division of the American Association of University women.

A resident of 807 W. Healy st., Urbana, Ill., Mrs. Kemp was chosen to the high office in a convention at Rockford, Ill., two weeks ago.

Mrs. Kemp, a past president of the Champaign-Urbana branch of the association, served as a second vice-president and as secretary of the Illinois division before being elected as president.

She has just completed her second term as chairman on status of women on the state board.

A graduate of the University of Illinois, Mrs. Kemp has been a teacher and a newspaperwoman, and has engaged in radio work. She is a member of the Urbana creative writing group.

She and Mr. Kemp, superintendent of building maintenance in the U. of I. have two sons, Donald, 15, a sophomore in University high school, and Emory, 19, a junior in engineering in the university.

Mrs. Kemp was born in Antioch and was graduated from the Antioch Township High school.

Antioch, Woodstock Bid For Sub-District Honor At Crystal Lake Today

Sequoits Beat Crystal Lake 14-13, and Grant 9-8 In Extra Innings

Antioch Township High school will meet Woodstock this afternoon in the championship game of the sub-district baseball tournament at Crystal Lake.

The winner will play in the Waukegan series.

Antioch beat Crystal Lake 14 to 13 in the third successive extra-inning game while Woodstock beat McHenry 10 to 6 behind one-hit pitching to become eligible for the final.

With the score tied at 13-all at the end of seven innings, Pregenzer held Crystal Lake scoreless in its first half of the eighth inning. Then in the second half, Tom Haviland walked, went to third on Bill Clark's single, and scored on a wild pitch.

Hits by John Buck and Ralph Yopp while men were on bases accounted for the Antioch scores, while Clark, Pregenzer, and Appanatis got two hits each.

Pregenzer started the game as pitcher, gave way to Lubkeman and then returned to finish the game. Calbow did the same for Crystal Lake, giving way to Hautzinger, and then returning.

The score by innings was:
R H E
Crystal Lake 1-0-5-2-2-1-2-0-13-9-5
Antioch 0-2-2-6-0-3-0-1-14-10-4
Antioch 9, Grant 8

Antioch high won its first game in the sub-district baseball tournament Monday beating Grant High in an extra inning game 9 to 8.

The game cost the services, however, of Kenneth Rentner, plucky catcher who suffered a fracture of his right arm near the wrist in an attempt at tagging out Connie Walker at home plate in the sixth inning.

Up to that time Rentner joined with Tom and Buzz Haviland, and Chuck Haling in getting three hits each. He had been the power hitter of the team and will be strongly missed.

Bill Clark went in as substitute and did a good job.

Bob Lubkeman was quite effective as pitcher until the sixth inning when with the winning run on, Pregenzer went in and stopped the Grant rally of five runs, throwing the short inning game into an extra inning, when neither side scored in the seventh. In the eighth the Sequoits pushed a run across and then held Grant scoreless as the host team in the last half.

The score by innings was:
R-H-E
Antioch 0-0-4-2-0-2-0-1-9-12-3
Grant 0-1-0-2-0-5-0-0-8-12-4
Batteries Pregenzer and Rentner for Antioch; Osinski and Iverson for Barrington.

Palatine will play here next Tuesday.

The Northbrook freshman-sophomore team will play here this afternoon, weather permitting, and the Freshmen will play Grayslake Freshmen Saturday.

The score by innings was:
R-H-E
Barrington 0-0-0-0-0-0-3-1-4-9-3
Antioch 0-0-1-0-0-2-0-2-5-7-5

Batteries Pregenzer and Rentner for Antioch; Osinski and Iverson for Barrington.

Palatine will play here next Tuesday.

V. F. W. Buddy Poppy Sale to be Held This Weekend in Antioch

Plans are being formulated for the 30th annual nationwide sale of Buddy Poppies by the Veterans of Foreign Wars, and the dates of May 18 and 19 have been fixed for the distribution of these familiar flowers in Antioch, according to Sequoit Post 4551.

As in previous years, these symbols of the fields of Flanders will be sold by a group of volunteer young girls and women, assisted by members of the Ladies Auxiliary of Post 4551.

Most of the money that we collect in this sale will remain right here in our own community, to help finance the relief and welfare work which we have undertaken in behalf of our own veterans in need, and their dependents.

The balance of the proceeds of the annual Buddy Poppy sale is used to help maintain the nationwide rehabilitation service of our organization. For example we contribute one penny for each Buddy Poppy sold to the operation of the V. F. W. National Home for widows and orphans at Eaton Rapids, Michigan. This is the only home of its kind in the world.

The Ladies' Auxiliary of St. Ignace church will hold a regular meeting at the Parish hall, Wednesday evening May 23 at 8 o'clock.

Order of Rainbow Picks Officers and Will Install On Saturday, May 26

Stop Paying Extra

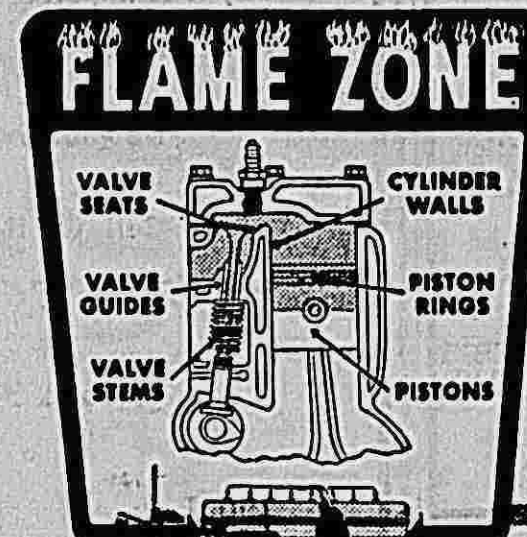

to
PROTECT
the

FLAME ZONE

The power parts of your motor's "flame zone" often fail to get complete protection from crankcase oil, especially during starting and warm-up periods. For instant and constant protection, a lubricant added to the gasoline is recommended. When you add a "top-cylinder" lubricant yourself, you pay extra for it.

Use **D-X** Lubricating Gasoline

AND SAVE 2¢ PER GALLON

In D-X, a lubricant is scientifically blended with high anti-knock gasoline in the manufacturing process. You do not pay extra for it. So, when you use D-X, you save 2¢ per gallon against the cost of adding a lubricant yourself. And you get uniform and constant extra engine protection.

MID-CONTINENT PETROLEUM CORPORATION

D-X
MOTOR OIL
with EXTRINOL
Gives You Extra Protection, Too!

Extrinol helps D-X Motor Oil clean motors, protect bearings and fight sludge. It makes D-X tougher, safer and more economical. Change to D-X with Extrinol today!

HUNDREDS OF GASOLINES BUT ONLY ONE
TRY A TANKFUL TODAY—ON A MONEY-BACK GUARANTEE

The "SAUCER TEST" Gives You FLAMING PROOF

When you burn D-X Lubricating Gasoline and ordinary gasoline in open saucers, you can see the difference. Ordinary gasoline leaves dry, hard, carbon deposits. D-X leaves a smooth, oily, protective film. Flaming Proof that D-X provides extra protection to power parts of the "flame zone."

LAKE VILLA

Rev. Harrison and wife are very busy this week with activities at Garrett Biblical Institute which is nearing the close of this semester and Mrs. Harrison has been able to attend some of these teas, classes, discussion, banquets and worship services which are held for pastor's wives.

The Intermediate Youth Fellowship entertained their mothers and others at a tea at the church last Sunday afternoon. They also presented a short program which their mothers enjoyed very much.

The last meeting for the season of Lake Villa Grade school PTA will be held at the school gym on Monday evening, May 21, at 8 p. m. and as this is the close of this year's work, there should be a good attendance. There will be special music by the Antioch, Grant and Grayslake High schools. Refreshments will be served.

Announcement of the death of Arlee Gulette, a former resident, was received Saturday by Mrs. Frank Hamlin from his mother. For some time he has been living in the South and his death was rather sudden.

Mr. and Mrs. George Pitman who formerly lived on a farm near here and who have been in the West for some time and spent the past winter in Phoenix, Ariz., called on friends here last week and were leaving for Northern Wisconsin to spend the summer with Mrs. Pitman's sister, Mrs. Fred Berg and husband, at their tourist lodge.

Mr. and Mrs. Stanley Hriblan who have been employed four years at the Father Basil home here have accepted positions at the Lake Co. Farm, at Libertyville and left Friday this week to take up their new duties.

The Pinochle Club was entertained on Tuesday this week by Mrs. Ethel Wood at her home at Allendale school. The ladies enjoyed pot

luck dinner and played pinochle during the afternoon.

Mrs. M. H. Gindich spent the weekend last week with her daughter, Kathleen, at Champaign to attend special Mother Day activities put on by the students at the University. Kathleen is a senior there.

Mr. and Mrs. Edwin Krook and daughter, Mary Kay, of St. Joseph, Michigan, spent last Saturday and Sunday with their parents, Mr. and Mrs. Albert Kapple.

Mrs. Clifton Bray and her sister, Mrs. Virginia Smith were guests last week for a few days of Mrs. Bray's daughter, Mrs. H. Whittemore and family, at Flossmoor. They returned home Saturday.

Mrs. Daniel S. Boyer spent Sunday with her daughter, Mrs. Marguerite Janisch and family, who are nicely settled in their new home, near Arlington Heights.

Mrs. Dan Boyer and Mrs. Wm. Marks left Monday from Chicago to represent Lake Villa, which is part of the 13th Congressional District, to attend the meeting of the Repub-

lican Woman's Club at Washington, D. C., which convenes May 15 and lasts until May 19. They with other official members of the district, will be guests of our Congresswoman, Mrs. Marguerite Stitt Church during their stay at our Nation's capital.

Mr. and Mrs. Harvey Obenau, of Cedar Lake, are receiving congratulations on the birth of their second son at the Condell hospital at Libertyville on Saturday, May 12.

Mr. and Mrs. Charles Treder, of Oak Knoll Drive spent Sunday in Chicago.

Mrs. Delbert Sherwood will present her class in piano at a recital at the school gym on Sunday afternoon, May 20, at 3:30 p. m. and the public is invited.

Carl Ekdahl made a business trip to Milwaukee on Monday.

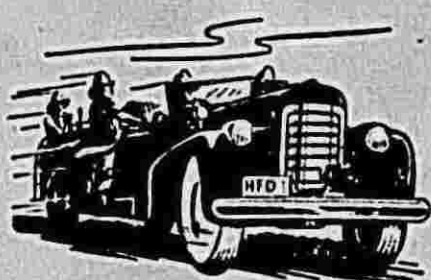

Mrs. Stella Pedersen, of Oak Knoll Drive has been confined to

her home by illness during the past week. Her sister, Mrs. W. V. Kennedy, of Chicago, came out Monday.

Pfc. Ralph Nader stationed at Ft. Riley, Kansas was home on furlough last week and when he re-

turned this week, his wife and daughter accompanied him, as he has been able to make arrangements for living quarters.

Miss Marlene Nader, of St. Elizabeth school of Nursing, at Evanston was home over Sunday.

HAYING!

"A" Frame, or triangular duct system is an economical, easily constructed type of hay drier.

This well-planned and well-built 70 ft. hay drier mow-cured 75 tons of alfalfa with results better than ever before attained with field-curing.

Both baled and loose hay have been dried on this slatted-floor type hay drier which has been in operation for 4 years. Inspecting the drier is the Ag Engineer who helped design the system.

A Mow-Curing System Will Make Better Hay
for You—While The Sun Doesn't Shine!

A forced air mow hay curing system installed now will improve your hay crop this year, and for years to come!

As you know, mow-curing produces higher quality hay and permits you to get more in the barn without the weather worries of field-curing. The hay dries in your mow with the vitamin and mineral-rich leaves still on the stems. Showers, dew, and prolonged exposure cannot leach away the milk producing factors. Because protein-rich leaves are retained, along with a rich green color, mow-cured hay has a greater cash sale value. When fed, it produces healthier cows and keeps butter fat and milk checks up.

In Northern Illinois there are hundreds of progressive farmers using store-bought or home-built systems with many types of air distribution. Standardized, easy-to-assemble and easy-to-store sections make FACTORY-BUILT hay driers adaptable to most barns without extensive remodeling.

Your local Public Service Company Ag Engineer understands all these job-proven systems. He'll gladly furnish information and help you plan a drier system for your barn. Now—while mows are empty—is the time to check all the important benefits: Profit by the experience of successful dairymen. Get the most out of your hay crops, every season, with a forced air mow-curing system!

Chip off Old Block

The consuming ambition of the average six-year-old boy is to be as much like his father as possible. At that age, boys start to imitate their dad's way of walking and talking, and even try to mimic his gestures and the tone of his voice.

Camel is Mean

The camel, often called the "ship of the desert," is one of the ugliest and meanest of all animals. Its temper is sad and sullen, interrupted by fits of anger and rage. The personal habits of the camel are so bad it has few friends, even among other animals.

Durable Nickel Alloys

Trucking is a tough job and requires tough equipment to stand up. That's why nickel alloy steels are used for transmissions and other important parts of trucks which are subjected to severe shock and constant hard wear.

Times Have Changed

The modern celebrant of the New Year would have been a little premature during the Middle Ages. March 25 was the usual date for beginning the New Year in most Christian countries of that time.

Facts About Shipping Fever

QUESTION: What causes fever to come down with shipping fever?
ANSWER: This disease is usually due to a combination of highly infectious agents. It affects millions of dollars worth of cattle annually.

QUESTION: Is it always brought on by shipping?
ANSWER: Not always, but usually. When cattle are shipped, they often suffer exposure to the elements, as well as exposure to germs. In a weakened condition, mingling with strange animals, they are easy prey for the infection.

QUESTION: How does an infected animal act?
ANSWER: It may refuse to eat; may be "sallow," have a high fever, the eyes may water, and breathing may be labored. If these symptoms show up, however, it's best to get a veterinarian's diagnosis, because similar symptoms are present in the early stages of blackleg and hemorrhagic septicemia, and it's dangerous to make a mistake.

QUESTION: Is there an effective treatment?

ANSWER: By having the animals vaccinated at least two weeks before they are shipped. If the owner waits until shipping time, a different type of vaccination is indicated.

QUESTION: After the animals arrive at their destination, are any further precautions necessary?

ANSWER: Newly-arrived cattle should get plenty of rest, shelter from cold rain or snow, and careful feeding. They should be isolated from the home herd for three weeks. Protective serum may be needed quickly if any animals sicken. Exact protective measures in each instance should be determined by the veterinarian.

Uncle Sam Says

This April, 176 years after the original Minute Men fought the battle of Lexington, our country is once more forced to defend those rights. The ultimate success of this Defense effort depends on the maintenance of a sound national economy. You should have an important part in this defense effort which can be fulfilled by the purchase of U. S. Defense Bonds. Buy them now and buy them regularly. Review your budget today and then enroll for the Payroll Savings Plan where you work or the Bond-A-Month Plan at your bank.

Eliminates Glare

To eliminate the glare from the late afternoon or early morning sun, affix paper or cardboard to the car window with cellophane tape. The car visors don't always hit the right spot.

Save Poultry Feed

Spilled feed is expensive litter. To save the wasted feed, fill the hoppers only two-thirds full. Also, supply only enough feed for one day's use in a hopper of the right size.

Key to Solution

A noted paint chemist has solved the puzzling problem of distinguishing the various keys on his key ring. He dips the heads of the keys that look alike in different colors of quick-drying lacquer.

Sky Buggy Schemes

The colors used on the interior surfaces of a plane have a definite psychological effect on the passengers. For short flights, researchers have found that gaily painted interiors are exciting and stimulating for an hour or two. After that, they become fatiguing. Relaxing colors are in order for long flights. Green was voted the ideal color for cabin interiors—light green for winter and a darker shade for summer.

Aids Perambulation

An ingenious housewife keeps a pail of sand close by for icy walks. She procured a wooden butter tub from a dairy products firm which she coated a brilliant blue to match the shutters on the house. A peasanty design was stenciled on the side of the tub. The man of the house cooperated by making a large wooden scoop and painting it to match. The set adds a decorative note to the entranceway.

Dining Car Kitchen

Dining car kitchens of postwar design range from approximately 15½ feet to 32 feet 10 inches in length and are approximately 7½ feet in width.

Crop Income Leader

The United States' leading source of crop income in 1949 was from cotton. Income from cotton and cottonseed amounted to \$2,637,000,000.

Feather Pillows

If down or feather pillows aren't dirty but need freshening up, toss them into your automatic gas dryer, set at "Low," leave for 10 minutes and they'll turn out plump and sweet-smelling.

Sandwich Filling

A different sandwich filling can be made from honey mixed with chopped or grated, vitamin-rich orange peel.

Calves

Calves born after a long, hard winter may average 10 to 12 pounds less than those born in a normal year.

Shopping for Chicken

When buying a chicken, look for one which is plump in appearance, with well-fleshed breast and legs, smooth and soft legs and feet, and a flexible breast bone.

Beauty Hint

For this year's fashionable longer coiffures, the wispy neckline hairs need a strong, long-lasting curl.

California's Increase

California's increase in population since 1940 exceeds the total population of any one of 32 states of the nation—having grown 43 per cent.

Infected Boars

Brucellosis infection commonly is brought into a clean herd of hogs by an infected boar.

Tender Turkeys

The size of a turkey is no guide to its tenderness, for size depends more on breed and variety than age.

Apple Stuffing

Apple stuffing may be used between pairs of spare ribs, in a boned shoulder of fresh pork, or in a roast duck.
